Prerequisite: FEMA Independent Study-100.B and Independent Study-700.A

ICS 100, Introduction to the Incident Command System, introduces the Incident Command System (ICS) and provides the foundation for higher level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS).

<https://training.fema.gov/is/courseoverview.aspx?code=IS-100.b>

IS-700.A: National Incident Management System (NIMS) An Introduction, introduces and overviews the National Incident Management System (NIMS). NIMS provides a consistent nationwide template to enable all government, private-sector, and nongovernmental organizations to work together during domestic incidents.

Independent Study Exams require a FEMA Student Identification (SID) Number. If you do not yet have a SID, register for one at : <https://cdp.dhs.gov/femasid>.

To register for this class please email your completed registration form to Meredith Martin, Bergen County CERT Liaison, at martin@bcoem.org
